Our Passion

To produce exemplary grapes and wine that captures this unique sense of place, with each block reflecting a different aspect of the extraordinary terroir along Westside Road

The Land

Bucher Vineyard consists of 38 sustainably farmed acres—36 acres of Pinot Noir grapes and 2 acres of Chardonnay on 15 distinct blocks.

The vineyard is adjacent to our home and Bucher Farms, an organic dairy started in 1958 by John's parents after they emigrated from Switzerland. Today John manages the day-to-day operations of the organic dairy, along with farming the vineyard.

Our family cherishes our heritage with the land, and it is reflected in every aspect of our viticultural practices.
